

# CALL FOR PAPERS

**ICDDT 2021**  
**Apr 22-23, 2021**  
**Tokyo, Japan**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDDT 2021 : International Conference on Developmental Disabilities and Therapy is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Developmental Disabilities and Therapy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world.
