

# CALL FOR PAPERS

**ICHCI 2021**  
**Apr 12-13, 2021**  
**Venice, Italy**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHCI 2021 : International Conference on Healthcare and Clinical Informatics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Healthcare and Clinical Informatics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Nutrition Informatics  
Clinical Data Warehouses  
Clinical Data Warehouses  
Clinical Informatics Factors

Clinical Research Informatics  
Medical Health Informatics  
Clinical Informatics Applications
