

# CALL FOR PAPERS

**ICNUPM 2021**  
**May 27-28, 2021**  
**Tokyo, Japan**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNUPM 2021 : International Conference on New Urbanism and Process Modeling is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of New Urbanism and Process Modeling. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

New urbanism  
Urban design movement  
Environmentally friendly habits
