

CALL FOR PAPERS

ICFGG 2021
May 13-14, 2021
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFGG 2021 : International Conference on Forensic Geoscience and Geomorphology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Forensic Geoscience and Geomorphology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Forensic geoscience
Forensic geoscience and crime
detection
Forensic geophysics in criminal
investigations
Forensic application of soil,
mineralogy and petrology
Forensic application of natural
geography and geomorphology
Forensic geochemistry

Forensic archaeology
Forensic seismology
Forensic anthropology
Remote sensing and geographic
information systems in forensics
Environmental forensics
