

CALL FOR PAPERS

ICCSH 2021
May 06-07, 2021
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCSH 2021 : International Conference on Computer Systems and Hardware is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Computer Systems and Hardware. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Computer hardware	Power supply
Components of a computer system	Mainboard
Processor	Expansion cards
Main memory	Storage devices
Secondary memory	Fixed media
Input devices	Removable media
Output devices	Input and output devices
Von Neumann architecture	Mainframe computer
Different computer systems	Departmental computing
Hardware system of personal computers	Supercomputer
