

# CALL FOR PAPERS

**ICEEPS 2021**  
**May 06-07, 2021**  
**Dubai, UAE**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEEPS 2021 : International Conference on Electrical Engineering Power Systems is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Electrical Engineering Power Systems. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Advanced Energy Technologies  
Battery and Fuel Cell Technology  
Distributed Generation Systems  
Electric Power Engineering  
Electrical Power Engineering and System Integration  
Electric Power Transmission and Distribution  
Energy and Power Engineering  
Energy Economics and Energy Policy  
Energy Engineering  
Energy Storage System and Technologies  
Energy Systems and Power Engineering  
Energy Technology and Power Engineering  
Fuel Cells and Combustion

Power and Energy Technology Systems  
Power Electronics  
Power Engineering  
Power Engineering and Power Generation Technology  
Power Generation Technologies  
Power Systems  
Power Technology and Engineering  
Power Technology and Power Engineering  
Power Transmission and Distribution  
Renewable and Non Renewable Energy Sources  
Renewable Energy Technology  
Smart Grid Technologies  
Sustainability
