

CALL FOR PAPERS

ICSBEEF 2021
May 06-07, 2021
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSBEEF 2021 : International Conference on Small Business Economics, Entrepreneurship and Finance is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Small Business Economics, Entrepreneurship and Finance. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Small business economics
Freelancing and business/economic performance
Small business organizational form/behavior and contract workers
Do freelancers create or compete for employee jobs?
False versus legitimate solo self-employment
Income inequality dimensions of solo self-employment

Segmentation of the freelance workforce
Trends in the freelance labor market
Gender dimensions of freelancing
Well-being and freelancing
Pension and social insurance among the solo self-employed
Workers' rights and compatibility with freelancing
