

CALL FOR PAPERS

ICSSA 2021
May 06-07, 2021
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSSA 2021 : International Conference on Social Statistics and Analysis is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Social Statistics and Analysis. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
