

# CALL FOR PAPERS

**ICWPT 2021**  
**May 24-25, 2021**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWPT 2021 : International Conference on Water Pollution and Treatment is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Water Pollution and Treatment. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Purification of drinking-water  
supplies  
Treatment, disposal and discharge  
of wastewater  
Wastewater treatment technologies  
Methods of monitoring water  
quality  
Modeling and measuring of water  
pollution

Water purification technologies  
Ground water pollution control  
Water resources and quality  
assessment  
Hydrobiology and water pollution
