

CALL FOR PAPERS

ICEEESD 2021
May 27-28, 2021
Tokyo, Japan

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEEESD 2021 : International Conference on Energy, Ecology, Environment and Sustainable Development is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Energy, Ecology, Environment and Sustainable Development. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Energy, Ecology, Environment and Sustainable Development
Environmental Engineering and Management
Ecosystems Impacts and Adaptation
Water and Wastewater Treatment
Solid Waste Management
Biodiversity, Ecology, and Ecosystems
Agriculture, Ecosystems and Environment
Ecological Impact and Ecosystems
Advanced Energy Technologies

Renewable Energy Technologies
Sustainable Development
Energy, Environment and Health
Energy System Modelling
Environmental and Health Impacts
Economic valuation
Integrated modelling
Future scenarios for energy production and consumption
