

# CALL FOR PAPERS

**ICMR 2021**  
**May 27-28, 2021**  
**Tokyo, Japan**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMR 2021 : International Conference on Moral Reasoning is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Moral Reasoning. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Moral reasoning  
Psychological theories of moral reasoning  
Cognitive developmental approaches to morality  
Emotions and morals  
Deontic reasoning

Moral inconsistency  
Rationality and reasoning  
Moral judgment  
Moral disengagement in social psychology
