

# CALL FOR PAPERS

**ICHE 2021**  
**Jun 29-30, 2021**  
**Dubai, UAE**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHE 2021 : International Conference on Higher Education is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Higher Education. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Acculturation: what preliminary intercultural need to be trained before been sent to a study abroad?
