

# CALL FOR PAPERS

**ICEIAEIA 2021**  
**Jun 28-29, 2021**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEIAEIA 2021 : International Conference on Environmental Impact Assessment and Environmental Impact Assessment is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Environmental Impact Assessment and Environmental Impact Assessment. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Environmental impact assessment (EIA)  
Environment impact study (EIS)  
Environmental baseline  
Impact methodology

Feasibility analysis of environmental impact measures  
Environmental public consultation and governance, strategical environmental assessment (SEA)  
Sustainability
