

CALL FOR PAPERS

ICWCFD 2021
Jun 28-29, 2021
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWCFD 2021 : International Conference on Wearable Computer and Fashion Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Wearable Computer and Fashion Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Wearable computer	Mobile computing
Body-borne computers or wearables	Ambient intelligence
Wearable technology	Ubiquitous computing
Innovative fashion	Commercialization
Innovative textiles	Popular culture
Innovative fashion design	Military use
Smart clothing	Accelerometers or gyroscopes
Electronic textiles	Sensory integration
Areas of applications	Behavioral modeling
History	Health care monitoring systems
Smartwatches	Service management
Google glass	Mobile phones
Optical head-mounted display	Smartphones
