

CALL FOR PAPERS

ICCSTAI 2021
Jun 14-15, 2021
Montreal, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCSTAI 2021 : International Conference on Computer Science, Technology and Artificial Intelligence is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Computer Science, Technology and Artificial Intelligence. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Algorithms
Artificial Intelligence
Automated Software Engineering
Bio-informatics
Bioinformatics and Scientific
Computing
Biomedical Engineering
Compilers and Interpreters
Computational Intelligence
Computer Animation
Computer Architecture and VLSI
Computer Architecture and Embedded
Systems
Computer Based Education
Computer Games

Computer Graphics and Virtual
Reality
Computer Graphics and Multimedia
Computer Modeling
Computer Networks
Computer Networks and Data
Communication
Computer Security
Computer Simulation
Computer Vision
Computer-aided
Design/Manufacturing
Computing Ethics
Computing Practices and
Applications
Control Systems
Data Communications
