

# CALL FOR PAPERS

**ICEAOD 2021**  
**Jun 14-15, 2021**  
**Montreal, Canada**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEAOD 2021 : International Conference on Enterprise Architecture and Organizational Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Enterprise Architecture and Organizational Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Enterprise architecture  
Enterprise engineering  
Agile methods for enterprise  
engineering and architecture  
Business rules  
Enterprise and business  
transformation  
Enterprise architecture languages

Enterprise architecture methods  
Enterprise architecture management  
Enterprise architecture governance  
Enterprise modelling and  
simulation  
Enterprise ontology  
Methods for enterprise and business  
transformation
