

CALL FOR PAPERS

ICEBPNH 2021
Jun 14-15, 2021
Montreal, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEBPNH 2021 : International Conference on Evidence-Based Practice in Nursing and Healthcare is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Evidence-Based Practice in Nursing and Healthcare. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Evidence-based nursing
Evidence-based practice in nursing
Evidence-based nursing in clinical practice
Clinical decision making processes

Patient concerns, choices, and clinical judgment in evidence-based practice
Implementing evidence in clinical settings
Guide implementation of evidence-based practice
Teaching evidence-based practice in academic and clinical settings
