

CALL FOR PAPERS

ICLSIS 2021
Jun 03-04, 2021
New York, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICLSIS 2021 : International Conference on Library Science and Information Systems is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Library Science and Information Systems. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Library science
