

# CALL FOR PAPERS

**ICPBSCC 2021**  
**Jun 03-04, 2021**  
**New York, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPBSCC 2021 : International Conference on Political Behavior, Political Science and Cultural Contexts is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Political Behavior, Political Science and Cultural Contexts. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Political behavior  
Political science  
Comparative political behavior  
Principles, issues and analysis  
Political participation  
Theories of political behavior
