

CALL FOR PAPERS

ICDDPT 2021
Jun 24-25, 2021
Paris, France

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDDPT 2021 : International Conference on Developmental Disabilities and Physical Therapy is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Developmental Disabilities and Physical Therapy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
