

CALL FOR PAPERS

ICRRNRH 2021
Jun 10-11, 2021
Tokyo, Japan

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRRNRH 2021 : International Conference on Rural Remote Nursing and Rural Health is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Rural Remote Nursing and Rural Health. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Rural nursing
Rural remote nursing
Rural nursing and midwifery
Rural health
Nursing and midwifery workforce
Models of care

Vulnerable populations
Health education and promotion
Chronicity
Palliative and end of life care
Rural ageing
Workplace and farm safety
