

CALL FOR PAPERS

ICPME 2021
Jun 21-22, 2021
Venice, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPME 2021 : International Conference on Project Management and Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Project Management and Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Project management
Network modeling
Project scheduling
Resource management
Due-date management
Project risk management
Project scheduling under uncertainty
Proactive/reactive project scheduling
Multicriteria project scheduling

Applications
Machine scheduling
Shop scheduling
Scheduling with additional constraints
Machine assignment and scheduling
Flexible/robust scheduling
Grid scheduling
Multicriteria scheduling
