

# CALL FOR PAPERS

**ICDT 2021**  
**Jun 21-22, 2021**  
**Vienna, Austria**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDT 2021 : International Conference on Dimension Theory is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Dimension Theory. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Dimension theory  
Fractals and dimension theory  
Fractal dimensions and measures  
Analysis of dimensions

Dimensional invariants of  
topological spaces  
Inductive dimension  
Lebesgue covering dimension
