

CALL FOR PAPERS

ICMSA 2021
Jun 21-22, 2021
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMSA 2021 : International Conference on Mathematics, Statistics and Applications is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Mathematics, Statistics and Applications. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Actuarial Mathematics and Analysis
Algebra and Geometry, Computer
Algebra Systems in Research
Applied Mathematics in Engineering
and Economics
Applied Mathematics, Operations
Research and Numerical Methods
Applied Statistics and Survey
Analysis
Biomathematics and Applications
Discrete Mathematics and
Combinatorics

Financial Mathematics
Mathematical Analysis and
Applications
Mathematical Modelling and
Simulation
Mathematics, Statistics and
Operation Research
Probability and Statistics,
Applications in Health and Clinical
Research
Statistics, Statistical Modeling
and Optimization
