

# CALL FOR PAPERS

**ICRRNM 2021**  
**Jul 19-20, 2021**  
**Copenhagen, Denmark**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRRNM 2021 : International Conference on Rural Remote Nursing and Midwifery is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Rural Remote Nursing and Midwifery. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Rural nursing  
Rural remote nursing  
Rural nursing and midwifery  
Rural health  
Nursing and midwifery workforce  
Models of care

Vulnerable populations  
Health education and promotion  
Chronicity  
Palliative and end of life care  
Rural ageing  
Workplace and farm safety
