

CALL FOR PAPERS

ICICSE 2021
Jul 29-30, 2021
Istanbul, Turkey

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICICSE 2021 : International Conference on Intelligent Control Systems Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Intelligent Control Systems Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Industrial and Systems Engineering
Decision Analysis and Methods
E-Business and E-Commerce
Engineering Economy and Cost
Analysis
Engineering Education and Training
Facilities Planning and Management
Global Manufacturing and
Management
Human Factors
Information Processing and
Engineering
Intelligent Systems
Manufacturing Systems
Operations Research
Production Planning and Control

Project Management
Quality Control and Management
Reliability and Maintenance
Engineering
Safety, Security and Risk
Management
Service Innovation and Management
Supply Chain Management
Systems Modeling and Simulation
Technology and Knowledge
Management
Industrial Informatics
Robotics
industrial vision
motion control
