

CALL FOR PAPERS

ICIVSTA 2021
Jul 12-13, 2021
Ottawa, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIVSTA 2021 : International Conference on Intelligent Vehicular Systems, Technologies and Applications is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Intelligent Vehicular Systems, Technologies and Applications. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Advanced Driver Assistance Systems
Automated Vehicles
Active and Passive Vehicle Safety
Vehicle Environment Perception
Driver State and Intent Recognition
Eco-driving and Energy-efficient
Vehicles
Impact on Traffic Flows
Cooperative Vehicle-infrastructure
