

CALL FOR PAPERS

ICNSRM 2021
Jul 12-13, 2021
Ottawa, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNSRM 2021 : International Conference on Neurological Surgery and Rehabilitation Medicine is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Neurological Surgery and Rehabilitation Medicine. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Neurosurgery
Neurotology
Cranioplasty and craniotomy
Angioplasty
Gamma knife, cyber knife and novalis shaped beam surgery
