

CALL FOR PAPERS

ICONPC 2021
Jul 12-13, 2021
Ottawa, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICONPC 2021 : International Conference on Oncology Nursing Practice and Cancer is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Oncology Nursing Practice and Cancer. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
