

CALL FOR PAPERS

ICPNPC 2021
Jul 12-13, 2021
Ottawa, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPNPC 2021 : International Conference on Palliative Nursing and Patient Care is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Palliative Nursing and Patient Care. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Palliative nursing	End of life care
Principles and practice of palliative nursing	Palliative nursing and care
Nursing and palliative care	Palliative and supportive care
Politics and palliative nursing	Progress in palliative care
Palliative nursing in hospital-based palliative home care	Supportive care in cancer
