

CALL FOR PAPERS

ICANDA 2021
Jul 08-09, 2021
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICANDA 2021 : International Conference on Addictions Nursing and Drug Addiction is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Addictions Nursing and Drug Addiction. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Addictions nursing

Nursing roles and substance use disorders

Mental health and addiction nursing

Adolescent alcoholism and drug addiction

Alcoholism, alcohol and other drug dependencies

Drug addiction treatment methods and techniques
