

CALL FOR PAPERS

ICNRTA 2021
Jul 08-09, 2021
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNRTA 2021 : International Conference on Neural Repair and Therapeutics Agents is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Neural Repair and Therapeutics Agents. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Therapeutics agents for neural
repair
Pathologies of the central nervous
system
Therapeutic approaches
Personalized medicine

Biomarkers of disease
In vitro/ex vivo studies
In vivo preclinical studies
Clinical studies
