

CALL FOR PAPERS

ICCAP 2021
Aug 05-06, 2021
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCAP 2021 : International Conference on Common Agricultural Policy is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Common Agricultural Policy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Agricultural engineering
Agricultural science
Agricultural economics or agronomics
Agricultural policy
Agriculture policy concerns
Modern reforms
Agricultural policy and development
Agricultural policies and rural development
Poverty reduction
Biosecurity
Food security
