

CALL FOR PAPERS

ICCAP 2021
Aug 05-06, 2021
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCAP 2021 : International Conference on Common Agricultural Policy is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Common Agricultural Policy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Agricultural engineering	Arguments against market intervention
Agricultural science	Dumping of agricultural surpluses
Agricultural economics or agronomics	Agricultural Independence
Agricultural policy	Water management
Agriculture policy concerns	Waste management
Modern reforms	Agricultural resource management
Agricultural policy and development	Soil fertility management
Agricultural policies and rural development	Agricultural infrastructure
Poverty reduction	Soil management and conservation
Biosecurity	Environmental impact assessments
Food security	Agricultural product processing
Food sovereignty	Agricultural machinery, equipment, processing technology, and structures
Environmental protection and land management	Water reservoirs, warehouses and other structures
