

CALL FOR PAPERS

ICAFNH 2021
Aug 23-24, 2021
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAFNH 2021 : International Conference on Agrilife, Food, Nutrition and Health is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Agrilife, Food, Nutrition and Health. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
