

CALL FOR PAPERS

ICEACA 2021
Aug 23-24, 2021
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEACA 2021 : International Conference on Electronics and Advanced Computer Architectures is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Electronics and Advanced Computer Architectures. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Advanced Computer Architectures
Artificial Intelligence
Communications and Signal
Processing
Computer Vision
Engineering Education and
Management
Enterprise Systems
High Integrity Systems Engineering
Human-Computer Interaction

Intelligent Systems
Non-Standard Computation
Applied Electromagnetics
Nano-electronics
Programming Languages and Systems
Cyber Security and Cloud
applications
Machine Learning
Robotics
