

CALL FOR PAPERS

ICEAUP 2021
Aug 19-20, 2021
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEAUP 2021 : International Conference on Eclectic Architecture and Urban Planning is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Eclectic Architecture and Urban Planning. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Eclectic architecture
Eclecticism in architecture
Sustainable architectural applications
Eclectic architecture buildings
Neo-eclecticism and its features
Eclectic architecture in building envelope maintenance

Development and history of eclectic architecture
The philosophy and mathematics of eclectic architecture
Sustainability in eclectic architecture
Aims and characteristics of eclectic architecture
Eclectic architecture and pioneering architects
Design construction requirements and options
