

CALL FOR PAPERS

ICBMEA 2021
Aug 12-13, 2021
Venice, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBMEA 2021 : International Conference on Breeding Management and Exotic Animals is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Breeding Management and Exotic Animals. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Animal care
Animal behaviour
Exotic animals
Veterinary medicine
Breeding management
Poultry nutrition
Disease management
Poultry processing and product technology
Animal waste and litter management
Fundamentals of animal nutrition

Nutrition physiology
Animal feeding
Animal feed quality
Zoonosis
Quality management of animal products
Animal infection and immunity
Surveillance of animal health and production
Antibiotic use and resistance in animals
Controlling fodborne disease of animal origin
