

# CALL FOR PAPERS

**ICCCO 2021**  
**Aug 12-13, 2021**  
**Venice, Italy**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCCO 2021 : International Conference on Cancer and Comparative Oncology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Cancer and Comparative Oncology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Comparative oncology  
Advances in comparative oncology  
Veterinary and comparative oncology  
Cancer in domestic animals and its prevention

Comparative oncology for cancer prevention, early detection, diagnosis and cure  
Animal disease models for oncology  
Cancer biology and therapy  
Translational medicine
