

CALL FOR PAPERS

ICHIBDPBDS 2021
Aug 12-13, 2021
Venice, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHIBDPBDS 2021 : International Conference on Health Informatics, Big Data Processing and Big Data Systems is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Health Informatics, Big Data Processing and Big Data Systems. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Big data analytics
Big data medical devices
Big data experiences
Big data systems
Big data processing
Big data medical records
Healthcare informatics development
Healthcare informatics functions

Healthcare informatics emerging
technology
Healthcare informatics
epidemiology
Healthcare informatics advance
practices
Healthcare informatics quality
Healthcare informatics tools
Healthcare informatics financial
applications
Healthcare informatics alternative
medicine
Healthcare informatics and medical
technology
