

CALL FOR PAPERS

ICST 2021
Sep 27-28, 2021
Istanbul, Turkey

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICST 2021 : International Conference on Slow Tourism is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Slow Tourism. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Slow tourism

Philosophy and principles of slow tourism

Popular destinations for slow tourism

Motivations and goals of slow tourism

Hospitality management for slow tourism

Motivations of slow travellers

Destination experience of slow travellers

Community ecotourism

Global multifunctional countryside

Rural tourism experiences

Rural experiences in farm tourism enterprises

Organic farms
