

CALL FOR PAPERS

ICDIBBL 2021
Sep 06-07, 2021
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDIBBL 2021 : International Conference on Differentiated Instruction and Brain-Based Learning is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Differentiated Instruction and Brain-Based Learning. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Differentiated instruction
Brain-based learning
Pre-assessment
Ongoing assessment
Learning environment
Differentiated instruction strategies

Differentiated classrooms
Multiple intelligences theory and differentiated instruction
Recent initiatives in differentiated instruction
Brain-compatible instruction in the differentiated classroom
Efficacy of differentiated instruction
