

CALL FOR PAPERS

ICEPCH 2021
Sep 06-07, 2021
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEPCH 2021 : International Conference on Earthquake Protection for Cultural Heritages is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Earthquake Protection for Cultural Heritages. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Cultural, artistic and historic
evaluation
Conservation
Seismic vulnerability evaluation
Seismic repair and strengthening

Seismic monitoring and seismic
control
Innovative analytical approaches
Innovative techniques
Innovative materials
