

CALL FOR PAPERS

ICPID 2021
Sep 06-07, 2021
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPID 2021 : International Conference on Product Innovation and Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Product Innovation and Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

New design for X approaches
Design processes for new paradigms
Tools and methods for managing
design processes

Supply chain management for complex
products
Simulation in design processes
