

CALL FOR PAPERS

ICWRM 2021
Sep 06-07, 2021
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWRM 2021 : International Conference on Wear Resistant Materials is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Wear Resistant Materials. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Materials selection for wear
resistance
Adhesion and wear resistance of
materials
Design for wear resistance
Adhesive wear

Abrasive wear
Erosion
Corrosive wear
Cavitation erosion
