

CALL FOR PAPERS

ICHSS 2021
Sep 09-10, 2021
Tokyo, Japan

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHSS 2021 : International Conference on Humanities and Social Sciences is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Humanities and Social Sciences. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Violence in literature, film and art
Life after violence
Experience of structural violence
Historical approach to violence - its same morphology but different mechanisms
New conceptualization of violence in the humanities

Gender specific violence and its cultural background, race, disability
Agents of structural violence and their opponents (including humanities and social sciences)
Social construction of memories of violence
Violence in/and popular culture
