

# CALL FOR PAPERS

**ICABBB 2021**  
**Sep 20-21, 2021**  
**Toronto, Canada**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICABBB 2021 : International Conference on Advanced Biocontrol, Bioengineering and Biotechnology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advanced Biocontrol, Bioengineering and Biotechnology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Agriculture  
Animal breeding and genomics  
Biotechnology  
Biotechnological approach in  
biocontrol  
Plant pest management  
Biology  
Biodiversity

Crop breeding and genomics  
Chemistry  
Environment sciences  
Genetics  
Genetic engineering  
Microbiology  
Novel biotechnology products
