

CALL FOR PAPERS

ICADRVP 2021
Sep 20-21, 2021
Toronto, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICADRVP 2021 : International Conference on Adverse Drug Reactions and Veterinary Pharmacovigilance is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Adverse Drug Reactions and Veterinary Pharmacovigilance. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Veterinary pharmacovigilance
Safety assessment of veterinary vaccines
Preclinical safety testing and assessment
Microbiological assessment of veterinary medicinal products

Veterinary adverse drug event reporting
Veterinary adverse reactions and crisis management
Veterinary pharmacovigilance and risk analysis
