

CALL FOR PAPERS

ICEES 2021
Sep 20-21, 2021
Toronto, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEES 2021 : International Conference on Energy and Environmental Sciences is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Energy and Environmental Sciences. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Biofuels / Biofuel Cells
Hybrid Energy Systems
Hydropower
Solar Energy
Wind Energy
Advanced Energy Technologies
Nuclear Energy Fission & Fusion
Energy Policy, Planning & Management
Ecosystems Management
Solid Waste Management
Environmental Management
Water Resources Management
Watershed/ River Basin Management

Wastewater Discharge Management
Energy Conservation
Energy Conversion
Fuel Cell Technology
Plasma Technology
Renewable Energy Sources
Solar Energy
Water Energy
Wind Energy
Air Quality Assessment
Ecosystems Assessment
Water Resources and Quality Assessment
Water Pollution and Water Quality Control
