

CALL FOR PAPERS

ICIEQ 2021
Sep 20-21, 2021
Toronto, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIEQ 2021 : International Conference on Indoor Environmental Quality is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Indoor Environmental Quality. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Indoor environmental quality
Indoor environmental quality and
climate change
Thermal comfort
Indoor air quality
Visual comfort
Acoustic comfort

Control of pollutants
Lighting engineering and
daylighting
Strategies for maintaining indoor
air quality
Active and passive ventilation
Mechanically ventilated spaces
Mixed-mode ventilated spaces
